Welcome to The World Infectious Diseases Congress

It is our great pleasure to welcome you on behalf of the organizing committee to the World Infectious Diseases Congress (WIDC 2025) which will be held during March 17-19, 2025 in Singapore.

We are delighted to welcome all the experts from virology, epidemiology and infection prevention & control practitioners to join this three-day event which will provide excellent opportunity to exchange information and strengthen the collaboration among the attendees from both academia and industry. This program provides three days of robust discussions on recent advancements and new strategies in virology, epidemiology & infection diseases.

World renowned scientific experts in the field of virology, epidemiology & infection diseases from across the world have agreed to grace the conference. Internationally leading experts will join us to present and discuss their most recent data and achievements during this event. The world's leading faculty in this area will thus enrich this year's program.

**With Best Wishes,
The Organizing Team
WIDC 2025**
